

SC15 - SCHOOL UNIFORM POLICY

“Our students demonstrate respect for our school by wearing their school uniform”

Students enrolling at Australian Virtus Institute are required to wear the school uniform, and we find that our students do so with pride. Wearing the uniform helps promote a positive school image, and with identification of the school community and ethos. Australian Virtus Institute is committed to our students' wellbeing, and we believe that all students have a right to access uniform according to course.

Our uniform is cost-effective, durable, and convenient and is available in a range of options to suit all body types.

Wearing of uniform is essential for many reasons and these include:

- A positive school image and identification with the school
- A sense of pride and responsibility in belonging to this school
- A safe environment, as any strangers or visitors to the school, can be easily identified
- A sense of equity, since students do not feel that they have to dress competitively
- A lower cost to students in the long term by providing economical, serviceable and safe clothing

It is an expectation that all students will wear school uniform, except for religious and medical reasons. By enrolling at Australian Virtus Institute, you are signing an agreement to abide by the school uniform policy.

SCHOOL TOP

- Shirt: white business shirt with school logo provided during orientation.
- Jumper: White jumper with AVI logo, this is as per order basis only.

HEALTHCARE UNIFORM

- Grey scrub suit with logo provided by school.

HOSPITALITY UNIFORM

- Top: Dark blue polo provided by school.
- Bottom: Any dark blue or black pants.
- Apron: Khaki with logo, provided by school.
